12:15 – 1:15 p.m.

LUNCH

Commonwealth

1:30 – 2:30 p.m.

General Session 3 – FAA/Industry Collaborative Listening Session

Commonwealth

Join an open discussion with industry colleagues and FAA representatives on topics and issues that are effecting you in the design, construction, and operation of airports. This is an opportunity to have an open discussion with the regulators and provide feedback. We will discuss topics that weren't covered earlier in the event as well as topics developed by the ACC Technical Committees.

Some Examples Include:

- *Emerging planning, environmental, engineering, and operational issues.*
- *Issues and policy implications from agencies outside of the FAA*
- *More to be decided by the ACC Committees!*

Moderator: Mary Ellen Eagan, HMMH and J.J. Morton, Kimley-Horn and Associates

2:30 p.m.
