Colleen Flood Promoted to Director; Kristen Scott Joins ACC

ALEXANDRIA, VA – The Airport Consultants Council (ACC) is pleased to announce that **Colleen Flood** has been promoted to Director of Marketing and Member Services. Flood's promotion was effective as of May 11, 2015. In this capacity, she will take on greater responsibility in driving the council's marketing and membership recruitment initiatives in addition to meeting planning, office administration and database management.

"Colleen has been a tremendous asset to ACC since coming aboard in March, 2012," said ACC President T.J. Schulz. "She has done a fantastic job in implementing improvements to ACC's membership services and enhancing overall operations and efficiencies at ACC. In her new capacity we look forward to her continued efforts to advance ACC's marketing initiatives and member services."

ACC is also pleased to announce the hiring of **Kristen Scott** as Assistant of Membership and Administration. Scott joined ACC on May 1, 2015. She brings with her a communications background along with association and meetings experience.

"We are excited to have Kristen join the ACC team," said Schulz. "With her interest and past experience in meeting planning and customer service, I know she will be a valuable addition to the ACC organization and its members."

Originally from Northern Virginia, Scott has worked for the National Association of Real Estate Investment Trusts (NAREIT) for two summers and received her Bachelor of Arts degree in Communications and Rhetoric from the University of Pittsburgh in June of 2014.

The Airport Consultants Council (ACC) is the global trade association that represents private businesses involved in the development and operations of airports and related facilities. ACC is the only association that focuses exclusively on the business interests of firms with airport-related technical expertise. ACC informs its members of new trends while promoting fair competition and procurement practices that protect the industry's bottom line. Founded in 1978, ACC Headquarters is located in the Washington, D.C. area. View this release online at ACCOnline.org.
