“We don’t have anything like this in Europe. Consult daa’s participation at the ACC 2012 Global Business Summit was very worthwhile; it provided us with an ideal forum to maintain contact with our existing network of airport industry owners, operators and consultants. It also provided us with a great opportunity to make new contacts.”
—Kevin Cleary, Group Head Consultancy, Dublin Airport Authority

“The ACC 2012 Global Business Summit hosted speakers and attendees from around the world. It was truly an international event which provided valuable insights and experiences about doing business globally to all participants.”
