Moderators: Kristin Shaw, *Airport Improvement Magazine*; Krista Tapley, *Arconas*

We are here to join companies together for a common purpose – to create teams with the right partners. One of the values of ACC membership is the opportunity to have 5 minutes with potential partners to exchange cards, state your value, and ask for advice or recommendations. This is more than social networking; it's business networking in a focused environment. This session will focus on airside or horizontal or outside the terminal work, eg. runway lighting, pavement, engineering, flatwork, jetbridges, specialties, air craft fueling, and the like.
