2017 ACC Member Recognition Awardees

Alexandria, VA - The Airport Consultants Council (ACC) would like to congratulate the member firms who have reached a new membership milestone in the ACC Member Recognition Program. This program recognizes loyal and dedicated member companies that have been a part of the organization for 10, 20, and 30+ years.

Once an ACC member firm reaches a 10, 20 or 30-year milestone, they will receive a unique achievement logo and acknowledgment in [ACC's Annual Report, website](#), and printed membership directory. Thirty-year milestone companies will also receive a plaque for their long-term dedication to the organization.

"These milestones reached by our long-term members speak volumes about their prominence in the airport development industry and the time and commitment they put forth into our organization," said ACC President T.J. Schulz. "We look forward to further expanding our services and providing a memorable experience for our diverse membership as ACC approaches 40 years."

Companies that have reached a new milestone are listed below. To view a full listing of long-term members, please visit our [website](#).

-----------------------------------	------------------------------	--------------------------

The Airport Consultants Council (ACC) is the global trade association that represents private businesses involved in the development and operations of airports and related facilities. ACC is the only association that focuses

exclusively on the business interests of firms with airport-related technical expertise. ACC informs its members of new trends while promoting fair competition and procurement practices that protect the industry's bottom line. Founded in 1978, ACC Headquarters is located in the Washington, D.C. area. View this release online at www.ACConline.org.
